

Upcoming Plowshare Produce Events

❖ **First Day of 2010 Season – May 25 and 28**

You'll receive your first bag of spring veggies on these dates – think tender lettuce, baby carrots and crisp radishes.

❖ **Plowshare Produce Potluck – June 19**

Mark your calendars for the season's first potluck, from 4-7 p.m. here at the farm. There will be a farm tour and then we'll share a meal at 5 p.m. Drinks will be provided. Please bring place settings, lawn chairs or blankets and a main dish, along with a salad, side dish or dessert to share. Musical instruments are welcome! You can find directions on our web site, www.plowshareproduce.com.
